It does not apply to defs. Applies to CJA attorneys, AUSA's, Marshal personnel, probation officers, and to anyone else except persons who request an exception with good reasons to do so.

CAUTION - EXTERNAL:

Dear Judge Kornmann,

Good morning. I hope this email finds you doing well.

I was advised by the Aberdeen CSO staff that during a recent phone conversation you stated that no unvaccinated CSO or attorney will be allowed into your courtroom. In an effort to be best prepared for your return to the Aberdeen courtroom, do you anticipate such a restriction applying to USMS personnel, USMS part-time contract personnel and defendants? I want to ensure that I am working from the same sheet of music as you and can be prepared to provide the best possible service for the Court, given the parameters within which I must work.

Thank you kindly for any information you can share.

Very Respectfully,

Dan
